VENETTES CULTURAL WORKSHOP

# Legacy Gala

FRIDAY, OCTOBER 17, 2008

MARY BAIRD

Founder

For over 40 years the Venettes Cultural Workshop has acted as an integral source of mental, physical, and spiritual development for the Long Island community. Our Dance, Charm, Voice, and Drama Divisions have assisted generations of students in earning academic, dance, and performing arts scholarships, and have helped focus their minds and spirits, in addition to boosting their self esteem.

We are a national award winning performing arts organization who has awarded over \$500,000 (in the past 15 years) in post secondary, performing arts and in-kind scholarships. We have received very little outside funding to support our programs but are looking to enlist the public's support for our ongoing efforts.

The Venettes Cultural Workshop appreciates your support and will continue to uplift and empower the youth of Long Island.
